Windows & Light

Tableaux® Shutters and Traceries add panache and style with open or intricate patterns that allow light, offer privacy and cast beautiful shadows on facing walls and ceilings. Available for indoors or out.

Tableaux®
is an innovative and versatile decorative solution that provides the look and feel of wrought iron at a

fraction of the cost. Lightweight, easy to install, unlimited designs, and customized to any size, shape or finish, Tableaux® offers unique solutions to your next design project.

Finishes & Design

Tableaux® is available in 16 beautiful finishes and nearly 3 dozen designs to complement any design theme. Each finish can be waterproofed for bathroom projects or outdoors.

Light passes through, creating beautiful shadows & contours.

Tableaux® Traceries used as wall art, decorates any empty wall with ornamental accents

Tableaux® Shutters in walnut stain accented with drapes, creates elegant contemporary fashion.

Tableaux® Shutters offer the most modern and detailed look in shutter decor.
